### PUPIL NEWS

#### ***Year 6 Science and Technology Project***

As part of the year 6 electricity topic the girls have designed and made a model of a room using their knowledge of electric circuits they have added a working light to their model. Each design is unique with most of the furniture made from cardboard and card. Everyone worked really hard and the results are excellent!  
*Dr A. Bound.*

#### ***Story of the Earth***

Having finished The Story of the Earth up to the era of the dinosaurs (see display in the Maryville building) the children have been given writing instructions to 'build your own dinosaur' as part of their Literacy Curriculum!

#### ***Year 5 Art Work***

Year 5 have been studying buildings in and around our environment and their paintings of these buildings show their observational skills and artistic ability. These paintings are on display in the Maryville building.

#### ***Maths Challenge***

On Thursday 2<sup>nd</sup> February 22 pupils from Year 9, 10 and 11 took part in the UK Intermediary Maths Challenge at Leeds University. Mrs Bulmer is confident that several pupils will achieve certificates in the next approximately 6 weeks time – watch this space!

#### ***First Aid***

**Holly Collins** (Year 10) undertook her St John's Ambulance First Aid Examination, which she has passed, along with other Cadets in her Squadron. Congratulations Holly!

### SCHOOL NEWS

A sprinkling of snow will not mean a school closure but after the weekend if by any chance there is more snow please check the school website for the definitive status. We will, of course, remain open if a

Many thanks to those senior school parents who responded to our request for an RSVP to the school dinner. If you have not yet done so, please RSVP as this helps immensely with setting up the hall. Thank you.
